

Grade 7 May/June 2025

2025-2026 Complementary Courses NYR Grade 8

We are very excited to be offering a wide variety of Complementary courses, providing opportunities for students to develop and to enhance individual expression, creativity and imagination through an exploration of new curricular areas. Please note that Complementary courses offered next year will be determined by student demand.

- Grades 7-9 students will be placed in TWO Complementary courses in semester 1 and TWO Complementary courses in semester 2.
- Students will be given the option of selecting their top 5 choices. When students are placed, consideration will be given to these selections, but their selection does not guarantee that the student will be placed in these Complementary courses.
- Choosing a Complementary will be based on interest in the topics
- Movement of students between Complementary courses will not be entertained
- If a student chooses Band, which is a full year course, they will get ONE other Complementary course in semester 1 and ONE other Complementary course in semester 2.

INSTRUCTIONS FOR SELECTING COURSES

Selection process steps for students to follow:

Paper Registration

1. Read through the course descriptions with your parents
