Grade 7 Supply List

This list covers supplies for core classes (Math, Science and Humanities) and additional items may be needed for option classes.

- Lunch Kit
- Water Bottle
- Backpack
- Shoes for PE/Construction/Foods
- 2 Binders (one for Math/Science and one for Humanities) – any style
- Dividers
- Pencils (approx. one dozen, preferably HB, regular or mechanical)
- 4 – 6 Erasers
- 1 box of blue or black pens
- Highlighters
- 2 black fine-line markers (i.e. Sharpie markers) – either fine or ultra-fine
- Pencil case
- Scientific calculator (not a phone) with an exponent button (looks like \wedge or xy or yx)
- 2 coil notebooks (one for Math and one for Science)
- 1 writing journal (lined – any style)
- 1 box of fine-point (skinny) dry erase markers to use on school mini whiteboards (black is fine). These dry up fairly quickly so purchasing smaller amounts over time may be preferable
- Package of lined paper (more will need to be purchased over the course of the year)

Optional

- A Chromebook, tablet or personal laptop that can connect to the school network (We have Chromebooks that we bring into class for writing assignments; however, families may choose to supply their own device that could move between school and home).

Other Information

- The classrooms have bins of pencil crayons, markers, rulers, scissors and glue sticks for shared use. You may want to have these items at home for any homework or project needs.
- Students are able to store extra supplies in their lockers. Their pencil cases should hold enough for a day at a time.
