Welcome home to DGS...

- You are invited to our in-person session for all families who will be transitioning to Dr. George Stanley School for Fall of 2025.
- DGS now welcomes all resident students of the Calgary Board of Education in Grade 6-9 who live in the communities of Cranston and Seton, and Grade 5 students who come from Cranston School for K-4.
- The information session includes an introductory presentation, a meet and greet, a question and answer session for guardians, and an opportunity to tour the site.
- We offer strong programming based on building conceptual understanding, critical thinking and key literacy and mathematics academic skills, as well as a widened array of quality Fine Arts, Athletics and CTF experiences.
- Our Social and Emotional Learning for students is based on a combination of teaching communication and problem-solving skills and using restorative practices to create a strong school community.

Feeder school visits and middle school transition...

- Transition meetings and visits to feeder schools will start in mid-February 2025
- Tours of the school for feeder school classes are planned for late Spring 2025
- Individual tours can be booked for June 2025 (ideal for students who need a little more time- booking details will be published in June 2025)
